

Education

2019-2021 **Master of Computer Application**

Brindavan College, Bangalore, India

CGPA: 7.38

2016-2019 **Bachelor of Computer Application**

Shree Swaminarayan College of Computer Science, Gujarat, India

60 %

2016 **XII - Gujarat Board, Sant Kavaram Sindhi High School, Gujarat, India**

50 %

2014 **X - Gujarat Board, Raghukul Vidhyadham High School, Gujarat, India**

59%

Professional Experience

Dec 2021 - Present **Associate Software Developer, Level I B, Anthology Inc, Bangalore**

- Developed, tested, and maintained applications using Java, C# and ASP.NET Core, ensuring high performance, reliability, and scalability. Applied object-oriented principles and best practices to deliver clean and efficient code.
- Good knowledge and experience in C#. Net, VB.Net, ASP.Net 2.0/3.5, ADO.Net, SQL Server, AJAX, XML, Angular, Web Services etc.
- Excellent code reviews and code debugging skills.
- Contributed to developing and maintaining UI components in Anthology Student using Angular, ensuring responsive design and efficient data interaction between system modules.
- Supported integration of various services, resolving issues and providing technical assistance, ensuring smooth functionality across systems.
- Addressed complex technical issues with the Moodle LMS, enhancing platform reliability and user experience.
- Developed and optimized 50+ stored procedures, functions, and triggers, reducing query execution time by 40% and enhancing database performance for 200+ users across multiple applications.
- Managed student enrolment integrations between Anthology Student and Canvas, including troubleshooting and issue resolution.
- Worked closely with clients, such as PS Care, to understand requirements and provide timely support.
- Participated in code reviews, ensuring adherence to coding standards and best practices.
- Worked on integrating third-party APIs, enhancing application capabilities and user experience.
- Collaborated with a team of developers to design and implement new features using Java, Spring Boot, and RESTful APIs.
- Engaged in Agile development processes, participating in daily stand-ups and sprint planning meetings.

Projects

Sep 2022 - Dec 2022	Abroad Educare <i>Freelance</i> The aim is to aid students to settle them on an upright decision towards seeking position in their concerned courses and universities.
Jan 2021 - Jan 2021	Employee Management <i>Brindavan College</i> Designed and developed an Employee Management System using React JS, Spring Boot, MySQL, and REST API, implementing full CRUD operations.
